INDEPENDENT SLATE SUPPLIES

Where quality comes naturally

The Duquesa 20 is a Spanish slate quarried in the highly regarded La Baña region of Northern Spain.

Its distinctive Hebra riven texture and blue/black colour make it a popular choice for Roofing contractors, self-builders and Architects.

Availability

The Duquesa 20 is available in a 5mm and 7mm thickness.

Test results

The Duquesa 20 slate has met or surpassed the strictest testing requirements, it has achieved the highest classification in all quality standards.

It carries the CE marking and has been tested in accordance with EN 12326 and is classified as W1 - S1 - T1.

Guarantee

The Duquesa 20 Natural Roofing slate is covered by a 75 year guarantee (Guarantees to be requested within 6 months of the date of completion of the roof).
